Colson Whitehead is the author of six best-selling novels, among them *John Henry Days* (2001), and one collection of essays, *The Colossus of New York* (2003). *The Underground Railroad*, published by Doubleday in 2016, received the National Book Award as well as the 2017 Pulitzer Prize, "for a smart melding of realism and allegory that combines the violence of slavery and the drama of escape in a myth that speaks to contemporary America."
